RACE VERY SPECTACULAR
OF \$35,000 PURSE \$15,000 GOES
TO THE VICTOR.

Readville, Mass., Aug. 31.—The Syracuse, N. Y., stallion Baron Alcyon today won the second renewal of the American trotting Derby at the Readville track by three lengths from Axtator. It was one of the most spectacular races ever seen. From the time the word was given until the horses were within fifteen yards of the wire the winner was in doubt.

After thirty-five minutes of dallying the ball fell for the start. Immediately Hyde Bird, entering from the half mile allowance, 405 feet in advance of the scratch horses, Bonoma Girl and San Francisco, set to mistle a whirlwind race of it.

Passing the stand the first time, the half-mile mark Hyde Bird was leading by a length over Axtator, the favorite, Baron Alcyon fifth, just in advance of a horse of honor that paced the track.

In the back stretch Gilles, with Axtator, went after the leader, the race being hot until reaching the home stretch, a little more than a mile of the journey. At this point Hyde Bird weakened enough to permit Axtator to close and take the lead. A good length in front of Kaldar, which was closely followed by Baron Alcyon. The positions remained the same entering the stretch for the grand battle to the wire.

Race Head and Head.

For a few strides the two leaders raced head and head, and then the superior speed and endurance of Baron Alcyon carried him to the front and he passed the winning post three lengths to the good.

Fine Resort and Excellent Fish-

HAS GOOD WORDS
FOR MOUNTAIN LAKE

The Herald-Republican: For the benefit of those who are contemplating an outing I would suggest as an ideal place our own Utah lake. There is on the east shore, on the Denver & Rio Grande railroad a resort known as Geneva, with trees, a pavilion for dancing, hotel, gasolene launch, row boats and, best of all, in the lake there are fish—catfish, chubs, mullets, bass, trout and carp.

I recently had the pleasure of being one of a party to make a trip in the launch Utah from American Fork to Pelican Point and back via Geneva. We took along frying pans and caught and ate fish to our heart's content, and, besides, brought home enough to furnish our friends a mess with hook and line.

The trip can be made in one day, but those having time can find accommodations at the resort or at one of the settlements bordering the lake and go down to fish by team. The better way would be to go direct to Geneva and avoid the expense of team hire. Railroad fare is about \$2.50 for the round trip. A fish out of Utah lake is an experience anywhere, but here is where you can catch fish.

One of Utah's lakes are certainly overlooked. The fish are certainly good, and what so hundreds of miles on fishing trips, and they talk about trout? What do you think of 2 1/2 pounds? And bass—well, you can't beat the bass right at our doors! A SUBSCRIBER.
